

Representative picture

Carbide dust extraction drill bit, SDS-plus

- Drilling and cleaning in one work step reduces dust exposure and reworking
- Greatest reinforcement compatibility, no sagging or clogging thanks to 4-blade-geometry with extra large dust outlets
- Noticeably fast drilling progress thanks to optimal drill dust removal
- Innovative head design with greatest concentricity for precise dowel holes
- Active drill bit cooling for long service life
- Dust-free drilling for compliance with legal provisions on user safety. Up to 98% less dust in the bore
- Universal vacuum cleaner adapter fits all standard industrial M and H class vacuum cleaners
- Kindly observe the installation instructions of the manufacturer when using the chemical installations

Diameter	Working length	Overall length	Shaft type	Sales unit	Order No.
14 mm	240 mm	360 mm	SDS-plus	1	626903000
16 mm	240 mm	360 mm	SDS-plus	1	626904000
