Order No. 602035840

EAN 4061792200678

Representative picture

- Extremely light, compact cordless random orbital sander of the 12 volt class, ideal also for working overhead
- Comfortable guidance of the sander close to the surface thanks to the low overall height
- Low-vibration working thanks to smooth running operation
- Grip area with non-slip soft-grip surface
- Soft start minimises surface damage when placing the machine on the work surface
- Unique Metabo brushless motor highest efficiency when grinding, also in continuous mode
- Orbit diameter 2.0 mm for highest surface quality with good material removal
- Infinitely variable speed control for working with different materials
- Multi-hole sanding pad for effective extraction and a longer service life of the sanding medium
- With easy to empty textile dust bag for working without extraction facilities
- Can be connected to an all-purpose vacuum cleaner with the coupling bush 630798000
- Motor and plate brake permits quick placing down of the machine after use
- Removable protector protects adjacent surfaces and increases the service life of the sanding pad
- With attachment point for tool safety straps for working at great heights
- With metaBOX, the intelligent solution for transport and storage
