

# SDS-max Pro 4 / 25 x 920 mm (623331000)

Order No. 623331000  
EAN 4007430437907

Representative picture

- Unrivalled destructive force: Extremely robust and aggressive solid carbide S-blade
- Constant high lifetime: Short head with large-volume dust channels for smooth transport of the drill dust, minimum generation of heat
- Highest drilling speed: Inclined auxiliary cutting edges for aggressive drill progress
- Optimum centring: Drill-active centering point for optimum guidance when drilling in concrete and armoured concrete
- Precise drilling hole diameters: innovative wear indication (indicator for dimensional conformance)
- Vibration Control: optimised vibration values - ideal for the hardest applications on the construction site
- For use in concrete, masonry, natural stone

## Technical values

### KEY FIGURES

|                |         |
|----------------|---------|
| Diameter       | 25 mm   |
| Working length | 800 mm  |
| Overall length | 920 mm  |
| Shaft type     | SDS-max |
| Sales unit     | 1       |
