

Diamond cutting discs "professional" / UP

- Powerful diamond cutting disc with segmented edge for aggressive, fast cutting of hard materials with high cutting performance and very good tool life
- Particularly suited for general construction/building materials such as concrete, exposed aggregate concrete, hard and soft sandstones, clay tiles
- Clean cutting edges and high cutting speed thanks to special short teeth segments
- Highest safety thanks to laser-welded diamond segments. Segment height 9.10 mm.
- Order no. 628563000 and 628564000 with reducing bush for machines with holder 20 mm or 25.4 mm
