

Representative picture

Sanding belts "Metabo Pyramid", 90 x 100 mm

- For all metal uses, particularly suited to the processing of rust-free steel/stainless steel
- 3-dimensional structure of the grinding media (pyramid-shaped). High material removal with, at the same time, a very even and fine grinding result for the entire lifetime of the product.
- Quick progress; considerably reduces the number of working stages compared to traditional grinding methods.
- Maximum speed: 6,400 /min; recommended speed: 4,200 /min
